I am totally AGAINST increasing the usage of the EJE RR. because of traffic congestion, NOISE, Emergency Vehicles delayed as well as School busses!

I have lived here since 1986 = 21 years & there was only 2 trains a day (not every day) now we have 5+ trains & the night noise from the horns blowing would increase to a point houses along the tracks will not get restfull nights.

This needs to be stopped - whatever it takes

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
